

PASPB ADVISOR

Issue 5, Volume 6

February 2014

February Luncheon Speaker:

Our February speaker will be Chris Wallace, CPA. Chris is a Senior Manager at Weaver. He has nearly two decades of public accounting and sales tax consulting experience. He received his Bachelor of Business Administration in Accounting from Baylor University. He is currently a member of the Texas Society of Certified Public Accountants, the American Institute of Certified Public Accountants, The Council of Petroleum Accountants Societies and Young Professionals in Energy. He will be speaking on sales tax refunds for the oil and gas industry. The state offers many generous exemptions for the oil and gas industry that are often missed if a company does not carefully review which purchases its vendors are taxing. He will discuss sales tax in general and also review the specific exemptions that are most often missed.
